ENERGY REBATES TO KEEP COOL

Does your central air conditioner need some TLC? Air conditioners can lose up to 5 percent of their original efficiency every year if they are not serviced.

That's why we offer a \$25 incentive every three years to get your A/C tuned up by a professional service technician. You'll use less energy because your air conditioner will run more efficiently.

And don't forget to regularly replace air conditioning filters. A dirty filter will slow down air flow and make the system work harder— wasting energy. This is your chance to stay cool—and take the heat off your wallet.

HOW TO RECEIVE YOUR REBATE:

- 1. Complete the application form.
- 2. Attach original sales receipt or paid invoice.
- Drop off the application at Menasha Utilities office, or mail it to the address on the form.

NOTE:

Applications are accepted on a first-come, first-served basis, until allocated funds are spent. Tune-ups must be completed between April 1 - September 30.

COOLING TIPS

As much as half of the energy used in your home goes to heating and cooling. Making smart decisions can have a big effect on your utility bills - and your comfort.

Take these steps to increase the efficiency of your heating and cooling system.

- Keep air registers and vents clear of obstructions to allow air to flow freely throughout the room.
- Set your thermostat higher in summer.
- In cooling mode, each degree you set your thermostat above 75 degrees will save you about 3 percent.
- For convenience, install a programmable thermostat that automatically adjusts the temperature depending on the time of day and day of week, saving you more than \$100 a year.
- Set your furnace fan to "auto." Setting the fan switch on your thermostat to "on" will cause it to run all the time, adding several hundred dollars to your annual electric bill.
- Use a ceiling fan. On warm days, dialing up the thermostat by just 2 degrees and using your ceiling fan can lower air conditioning costs by up to 14 percent over the course of the cooling season.
- Turn fans off when you leave the room, fans cool people, not rooms.
- Run a dehumidifier to control moisture.

PROGRAM INFORMATION & REQUIREMENTS

OFFER AVAILABILITY

- To qualify for an incentive, the applicant must meet all
 of the eligibility conditions and complete the incentive
 application on the right.
- This program may be modified or discontinued at any time without notice. To guarantee there will be incentive money available, call us at (920) 967-3405.
- 3. Attach the original sales receipt or paid invoice from a professional heating and cooling inspection and tune-up service. Note: The receipt or inspection documentation must indicate the date of service, dealer name and address, an itemized list of service checkpoints, and any repair recommendations.
- 4. Drop off your completed application at our office or mail to:

Menasha Utilities 321 Milwaukee Street PO Box 340 Menasha, WI 54952

PROGRAM REQUIREMENTS

To receive the \$25 incentive the following program requirements must be met.

- The Central Air Tune-Up Discount Program is available only to residential customers with a valid Menasha Utilities electric account.
- Only central air conditioning units of 5 tons or less that have not had a tune-up within the last three years are eligible.
- Qualifying inspections and tune-ups must include all items listed in the 12-point checklist and must be performed by a professional heating and cooling service technician.
- In no case will Menasha Utilities pay more than 50% of the actual purchase price of the central air conditioner inspection and tune-up.
- Qualifying inspections and tune-ups must be completed between April 1 - September 30 of the same calendar year as requesting incentive.
- Please submit your request by the end of October.

TERMS & CONDITIONS

- Menasha Utilities makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed including, but not limited to, any warranty of merchantability or fitness for purpose.
- In no event shall Menasha Utilities be liable for any incidental or consequential damages.
